

Liskeard Old Cornwall Society

MIDSUMMER'S EVE BONFIRE

At

Bolitho Farm, Liskeard

23rd June at 6.30pm

Liskeard Old Cornwall Society will be hosting the event in both Cornish and English, as they have done since this ancient tradition was revived in 1929, and all are welcome to come along and help us ensure the success of this year's harvest. The Lady and Maid of the Flowers will play their part and the Mayor of Liskeard will light the Bonfire. Parking and entry is free, and the ceremony will be followed with proper Cornish songs by Liskeard based Melodi Liskerret. Just by being there you will ensure these old Cornish traditions are kept alive, so bring your own refreshments as it could be a good evening for a picnic and a singsong.
